

Quotes & Connections

"The gospel of grace is the end of religion, the final posting of the CLOSED sign on the sweatshop of the human race's perpetual struggle to think well of itself. . . You won't learn anything positive about religion from Christianity and if you look for Christianity in religion, you'll never find it."
—Robert Farrar Capon

"Every religious club, group, congregation or denomination will in some way, overtly or covertly, offer the hope that a free ticket to heaven is a benefit of membership." —Greg Albrecht

"God speaks in the silence of the heart. Listening is the beginning of prayer." —Mother Teresa

"Now and then it's good to pause in our pursuit of happiness and just be happy." —Guillaume Apollinaire

"One of the telltale signs in the contemporary American church that trust in God is on the wane is the meteoric rise of legalistic religion. It will continue to flourish and attract an enormous number of devotees. For legalism is born of fear. It is a religious response to human fear. What makes legalism so attractive is that it meets a basic human need—security." —Brennan Manning
