

Part II

The Cruciform God

- In which we see Christ—and particularly *Christ crucified*—as the climax of God’s self-revelation.
- What does Jesus show us about the nature of God?
- What does the Cross demonstrate about the nature of God?
- How does the Cross represent God’s consent to the world and to human freedom?
- What does the Cross reveal about the way God participates in the world?
- How is the Cross a response to the problem of suffering?
